Book

BfK Rating:

0

This is the eighth collection of short stories featuring the ever-popular Dilly, the world's naughtiest dinosaur. Here, he acquires a pet, is talent-spotted by Rex of the Rockosaurs, learns an important lesson and gets a 'child' minder. Doubtless Dilly fans will be delighted by his latest escapades which should also win him some new friends among young apprentice readers.

Running Order:

82
